Dental Benefits to Fit Your Needs, Your Schedule and Your Budget

Protect your greatest investment — your workforce — while balancing your budget. Delta Dental delivers plans at affordable rates, eliminates complicated plan management and covers more than the bare minimum, with rich plan designs and optional features.

Rates to Rave About

Delta Dental works hard to keep rates stable year after year — and rates don't include hidden fees or set-up charges, so you know what to expect from enrollment to claims processing. Delta Dental specializes in dental benefits, so your rate reflects the actual cost of your plan — no cost shifting to other lines of coverage like medical.

Financially Flexible

Pick a plan from a varied portfolio with flexible contribution and coverage choices, plus optional plan features to attract and retain top talent. With options like voluntary plans, network participation, orthodontics and more, you can feel like you've designed your plan from scratch to fit both your employees' needs and your financial goals.

Sweet Simplicity

Make plan management a breeze with dedicated account service from CoPower, and exceptional employee customer service with Delta Dental. Plus, with industry leading¹ dentist networks, Delta Dental makes it easy for your employees to find network savings.

VSP Choice is the portfolio of choice in CoPower ONE

VSP's vision plans are good for your clients' eyes as well as their wallets! There's no need to cut coupons or wait for retail chain sales—the savings and benefits are already built into VSP plans.

Great Reasons to Choose Co-Power ONE

Personalized Care

Establishing a relationship with an eye doctor is important—members receive personalized care from a doctor they trust. Since all VSP doctors are private-practice doctors and they stay in their practices year after year, members don't have to worry about seeing an unfamiliar doctor.

Diverse Selection and Services

Members can experience the private-practice difference with a VSP doctor. Products and services from a retail chain are also available from a VSP doctor's office, such as a diverse selection of eyewear, including designer brands and convenient weekend and evening appointments.

Diabetic Eyecare Program

This program provides coverage of additional eyecare services specifically for members with type 1 & 2 diabetes including: medical follow-up exams, specialized screenings and tests, medically necessary retinal imaging, and diabetic retinopathy. Members never need a referral and pay only a copay for services.

Everyone Needs an Annual Eye Exam

Annual eye exams are important to one's overall health. During a WellVision Exam®, a VSP doctor can see differences in their patient's vision and overall eye health. VSP providers detect signs of certain chronic conditions before any other healthcare provider:

- 65% of the time for high cholesterol
- 30% of the time for hypertension
- 20% of the time for diabetes

The VSP Eye Health Management Program

For every initial \$1 invested in VSP exam services, clients can expect an average two year total return of \$1.27 through avoided medical costs and improved human capital performance.²

¹ Discounts only available from contracted facilities.
